

4 A cooking utensil as claimed in claim 2, wherein the name of the operating mode displayed on the display portion is changed according to an operating state of the cooking utensil.

REMARKS

Applicant is amending Claim 3 and adding new Claim 4 to avoid multiple dependent claims and to particularly point out and distinctly claim the subject matter which the Applicant regards as his invention.

Applicant believes that Claims 1-4 are in condition for allowance and request that the foregoing amendment be entered and the case sent to issue.
